

VANTOM VILLAGE • NOTTINGHAMSHIRE

Celebrations at Vantom Village

WEDDINGS, ANNIVERSARIES, BIRTHDAYS & PRIVATE CELEBRATIONS • INFORMATION & PRICING

Thank you for your interest in Vantom Village. Set in the Nottinghamshire countryside, the Village brings together woodland, water and characterful spaces in one place, ready for celebrations of every size.

We are very flexible in the way we approach events. Rather than fixed packages, every celebration is put together around the people involved: your ideas, your timings, your guest list and the atmosphere you want to create.

From a quiet gathering among the trees to food, drinks, music and dancing late into the evening, here is an introduction to what the Village can offer.

With warmest wishes,

The Vantom Village team

THE HEART OF THE VILLAGE

The Fairmont

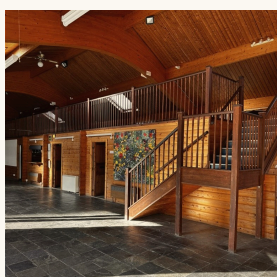

A versatile setting at the centre of it all.

The Fairmont is in the midst of an exciting transformation and will soon be one of the Village's most beautiful entertaining spaces. It will offer a spectacular setting for ceremonies, dining, drinks and dancing, with guests free to drift between indoors and the outdoor areas around it as the day becomes evening.

AMONG THE TREES

The Forest

For something quieter and more atmospheric, the woodland is a beautiful setting for a ceremony, a toast, welcome drinks or photographs with the people closest to you, before the celebration continues elsewhere in the Village. Styling and decoration are yours to personalise.

Intimate gathering or full-scale party, every event here is built around the people it is for.
